Description

The cornice has a deep, ovolo moulding with carved ornament. The frieze is finely and profusely carved with trailing acanthus leaves. The front has a small pair of doors above large pair of doors, both revealing cupboards inside. The upper and lower parts are divided by a moulded and finely, carved central frieze. The doors have deep, geometric mouldings surrounding finely, carved central panels. The front has bold fluted and partly, ebonised ionic pilasters.

The sides are panelled. The bun feet are replaced.
