Description

A rare, narrow, Italian, baroque, walnut, cabinet or sidetable.

This table has unusual, narrow proportions and was probably originally conceived as a stand for a table cabinet or as a sidetable for a collectors closet.

Characteristic one piece walnut top with stunning lustrous, rich patina and beautiful figuring.

The lyre ends are elegant and fluid. The iron foils create the stablility with a simple and open aesthetic.

Very few Italian tables were made of this narrow size and I have only seen a handful over the last 20 years, mostly united with table cabinets.

Dimensions Height : 112.00cm., 44.09 inches Length : 75.50cm., 29.72 inches Depth : 60.00cm., 23.62 inches.
