

A good, early-18th century, Flemish, verdure, tapestry

Sold

## Description

Length 325 cm., Height 185 cm.

Woven with a hound onlooking two herons on the lake's edge, a small castle and house tucked within the hills of woodland and large foreground plants, with a later blue and yellow selvedge. Cleaned and lined. Some repairs and restorations. Oudenaarde, second quarter of the 18th century.
