Depth: 2 cm (0.8")

Description

Map of Nottinghamshire with engravings of Worksop Manor Nottingham Castle Newstead Abbey

BIBLIOGRAPHY published in Barclay's Universal English Dictionary, about 1850. Decorative steel engraved antique map with recent hand colour. The vignettes show Worksop Manor, Nottingham Castle and Newstead Abbey.

MAKER Thomas Moule (1784 - 1851)

The map is a fine example of Moule's ornate style, with heraldic shields and illustrations of Worksop Manor, Nottingham Castle and Newstead Abbey. Moule was a writer on heraldry and a map maker. He is best known for his popular and highly decorated county maps of England, steel engraved, and first published separately between 1830 and 1832.

In a modern black and gold frame of traditional style for maps.
